Hi all,

Unfortunately, I realized that I'm not going to be able to attend tomorrow's Centralia meeting. I'm leading a group of residents on a M&B tour tomorrow at 5 pm, and I need to prepare for tribal meetings on Thursday and Friday, as well as the Seattle Eco Team meeting on Monday and Tuesday. I'll check in with Jordan upon your return to learn the highlights of tomorrow's discussion. Have a great time up there.

Mikell

Hello everyone,

The meeting will be held tomorrow in Centralia, WA starting at 9:00 am. We will be meeting in front of the NWR building at 7:15 for departure. See everyone there.

Chip and Eric- please inform either me or Mikell if you will be taking your own car so we know whether or not to wait for you tomorrow morning. Thanks everyone.
